membership form

The I.V.S. Alumni Association seeks to reach, serve and engage all IVSAA alumni; to foster a lifelong intellectual and emotional connection between the school and its graduates providing the university with goodwill and support. Alumni of the Indus Valley School share a sense of professional pride and camaraderie and we look forward to forming a community of like-minded individuals to provide strong networking for each other.

The IVS Alumni Association is managed by a Board of Governors who are elected every 2 years by the subscribing members. Established in November 2001, a second Board has already been elected and has officially taken over the reins of the Association. The IVS Alumni BoG 2005 – 2007 welcomes the new Graduating Class. We look forward to seeing you as active alumni!

about us

If you are interested in dedicating your time to the Alumni Association, you may join any of the Sub-Committees formed in the first term of the Association. Six committees were initiated, for which Founder members have established viable objectives for the next few years. In order to keep these committees alive, fresh minds are imperative, and volunteers are always welcome.

The Class Committee – Conduct a one-credit hour course called Karachi City Orientation with the Foundation Year.

The Newsletter Committee – Be involved in the production of a bi-annual arts journal.

The Thesis Committee – Provide assistance to the faculty as advisors during the Final Thesis.

The Alumni Open House Committee – Help promote school, its students and alumni by making presentations at other institutions and holding open-houses at the campus.

The Entertainment Committee – Help plan reunions and fundraisers for the Association.

The Drama Committee – Hold workshops, plays and talks to bring Alumni together on a creative front.

The Website Committee – Help us build and maintain an official Alumni website.
